Other Outcomes/Objectives, with Any Associations and Related Measures, Targets, Findings, and Action Plans

O/O 1: Develop transportation-focused educational opportunities
To develop transportation-focused educational opportunities

Related Measures

M 1: MS in Transportation Studies proposal
MS in Transportation Studies proposal
Source of Evidence: Administrative measure - other
Target:
By Fall 2015, begin offering program with new courses developed and ready to deliver each semester.

O/O 2: Community outreach
To provide outreach and continuing educational opportunities to transportation planning professionals in the Greater New Orleans region. Continue to work with professional associations to host lectures, seminars, workshops and conferences on transportation related topics.

Related Measures

M 2: Tally events
Collaborate with professional associations to identify relevant topics To work in partnership with associations to identify speakers and plan events Deliver programs and seek professional accreditation
Source of Evidence: Administrative measure - other
Target:
Host 6 – 8 events per year

O/O 3: Develop research program
To develop regionally and nationally competitive research program in the areas of freight/ports, transit-oriented development, evacuation planning, and sustainable, resilient and equitable transportation systems. Nurture and develop stronger partnerships with funding agencies, such as the La DOTD/LTRC, RPC, and other universities, such as LSU to attract federal UTC funding. Actively participate in the Consortium of UTCs and with partners in Louisiana and Texas. Identify new partners across the USA. Develop common research proposals. Apply for funding.

Related Measures

M 3: Tally proposals and funding applications
Tally proposals and funding applications.
Source of Evidence: Activity volume
Target:
Minimum of 5 external research proposals submitted in 2013/2014.

O/O 4: Publish research
Publish research in peer-reviewed transportation publications. Mentor young faculty and staff members Look for collaborations opportunities across faculty, staff and with students Incentivize peer reviewed submissions though the distribution of UTC grant funds Submit articles to journals

Related Measures

M 4: Tally publications
Minimum of 6 manuscripts will be submitted to peer reviewed publications.
Source of Evidence: Administrative measure - other
Target:
Encourage faculty and staff to publish at least one or more peer-reviewed articles per year.
