University of New Orleans

2013-14 University Strategic Plan by Association
As of: 4/11/2014 01:56 PM CDT

University Strategic Plan Associations included in this report:

University of New Orleans
- 1 Academic Programs
- 2 Students
- 5 Community

University of New Orleans

1 Academic Programs (3 associations)

Interdisciplinary Studies (IDS) (3)

O 1: Create partnerships with business and non-profit agencies
Create partnerships with community businesses and non-profit agencies for paid and non-paying internships. We are working with Gameloft now who will be offering IDS students in Digital Arts Media a paid internship.

O 2: Implement IDS online degree program
We will be working with COLA and Academic Affairs to implement our IDS online degree program which has already been approved by SACS. We are in the planning stages now. We created an implementation (or start up document) with Cola in fall 2014.

O 3: Articulation agreements
Articulation agreement between IDS at UNO and Allied Health at Delgado was signed by the President of UNO and the Chancellor of Delgado in November, 2012. We will be signing another agreement in 2014 with Delgado's American Sign Language Studies.

2 Students (2 associations)

Interdisciplinary Studies (IDS) (2)

O 4: Invite professionals to participate and students to attend IDS Alumni Panel
Invite professionals from distinct careers who graduated as BGS/IDS majors to participate on the IDS Alumni Panel. IDS students will attend this event as a means to making connections for career paths.

O 5: Ice Cream Ice Breaker Social
IDS Ice-Cream Ice Breaker Social. One of the activities for the UNO Freshmen/Transfer Student Plunge activities.
Community (2 associations)

Interdisciplinary Studies (IDS) (2)

O 1: Create partnerships with business and non-profit agencies

Create partnerships with community businesses and non-profit agencies for paid and non-paying internships. We are working with Gameloft now who will be offering IDS students in Digital Arts Media a paid internship.

O 4: Invite professionals to participate and students to attend IDS Alumni Panel

Invite professionals from distinct careers who graduated as BGS/IDS majors to participate on the IDS Alumni Panel. IDS students will attend this event as a means to making connections for career paths.
