Mission / Purpose

In alliance with the mission and strategic plan of the University of New Orleans and the Division of Student Affairs, the mission of the University of New Orleans Counseling and Career Center/Career Services is to provide career coaching, education, encouragement and resources to a diverse population of undergraduate and graduate students, and launching alumni. Career Services offers a variety of services to students seeking career guidance including career planning assistance, experiential learning opportunities, job search skills development and opportunities for interaction between prospective candidates and potential employers. Career Services strives to achieve this mission through meaningful engagement and interactions with students and campus and community partners focusing on measureable learning outcomes, best practices, and collaborative partnerships. Career Services maintains collaborative relationships with community partners to support local and regional workforce development initiatives.
