Student Learning Outcomes/Objectives, with Any Associations and Related Measures, Targets, Findings, and Action Plans

SLO 1: Financial accounting and governmental accounting
Students will demonstrate a proficiency in financial accounting and governmental accounting concepts.

**Related Measures**

**M 1:** Course exams (ACCT 3121, 3122, 3123, 3124)
Examinations at the end of the courses. ACCT 3121, 3122, 3123, 3124
Source of Evidence: Capstone course assignments measuring mastery

**Target:**
Sixty percent of the students will meet or exceed 62.5% proficiency in each area of competency within the two intermediate accounting courses (ACCT 3121, ACCT 3122), which have finance majors in addition to accounting majors. Seventy percent of the students will meet or exceed 70% proficiency in each area of competency within the advanced accounting and government accounting course (ACCT 3123, ACCT 3124).

SLO 2: Auditing concepts
Students will demonstrate proficiency in auditing concepts.

**Related Measures**

**M 2:** Course exam (ACCT 3161)
Course exam (ACCT 3161)
Source of Evidence: Writing exam to assure certain proficiency level

**Target:**
Seventy percent of the students will meet or exceed 70% proficiency in each area of competency within the auditing course (ACCT 3161).

SLO 3: Individual income taxation
Students will demonstrate a proficiency in individual income taxation concepts.

**Related Measures**

**M 3:** Course exam (ACCT 3152)
Examinations at the end of the course.
Source of Evidence: Capstone course assignments measuring mastery

**Target:**
Seventy percent of the students will meet or exceed 70% proficiency in each area of competency within the individual income taxation course (ACCT 3152).

SLO 4: Cost/managerial accounting and accounting information systems
Students will demonstrate proficiency in cost/managerial accounting and accounting information system concepts.

**Related Measures**

**M 4:** Course exams (ACCT 3131, 3141)
Course exams (ACCT 3131, 3141)
Source of Evidence: Writing exam to assure certain proficiency level

**Target:**
Seventy percent of the students will meet or exceed 70% proficiency in each area of competency within the cost/managerial accounting course (ACCT 3131) and the accounting information systems course (ACCT 3141).

SLO 5: Use of computers and IT
Students will demonstrate the effective use of computers and information technology.

**Related Measures**

**M 5:** Computer assignment (Acct 3120)
Examination of computer assignments in Acct 3120.
Source of Evidence: Academic direct measure of learning - other

**Target:**
Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a computer assignment selected from ACCT 3120.

SLO 6: Conducting auditing, financial accounting, and tax research
Students will demonstrate a proficiency in conducting auditing, financial accounting, and tax research.

**Related Measures**

**M 6:** Research assignments (ACCT 3161, 3123, 3152)
Faculty evaluations of a sample of research assignments.
Target:
Seventy percent of our students will meet or exceed 70% proficiency in each area of competency score on an auditing research assignment selected from the first auditing course (ACCT 3161). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a financial accounting research assignment selected from ACCT 3123. Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a tax research assignment selected from the first tax class (ACCT 3152). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on an auditing research assignment selected from the first auditing course (ACCT 3161). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a financial accounting research assignment selected from ACCT 3123. Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a tax research assignment selected from the first tax class (ACCT 3152). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on an auditing research assignment selected from the first auditing course (ACCT 3161). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a financial accounting research assignment selected from ACCT 3123. Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a tax research assignment selected from the first tax class (ACCT 3152). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on an auditing research assignment selected from the first auditing course (ACCT 3161). Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a financial accounting research assignment selected from ACCT 3123. Seventy percent of our students will meet or exceed 70% proficiency in each area of competency on a tax research assignment selected from the first tax class (ACCT 3152).
