### Student Learning Outcomes/Objectives, with Any Associations and Related Measures, Targets, Findings, and Action Plans

**SLO 3: Broaden intellectual and scholarly discourses**

Broaden intellectual and scholarly discourses of visiting students with American students. Offer 1 internship to UNO History grad student in International and Global Studies track. Supervise research of 2 visiting doctoral research fellows and help them prepare conference publications and scholarly articles.

**Related Measures**

**M 3: Tally conferences, lectures, publications**

Tally conferences, lectures, and publications

Source of Evidence: Activity volume

**Target:**

- 1 scholarly conference per semester; 3 guest lectures; Completed conference publication within two years after conference; 2 Publications per year, 1 Contemporary Austrian Studies volume and 1 conference publication

**M 4: Exit interviews**

Exit interviews with conference and student/participant surveys of guest lecturers and audiences

Source of Evidence: Exit interviews with grads/program completers

**Target:**

Guest speakers and conference participants will express improved and deepened comprehension of the subject matter. This will be measured through a survey instrument administered at the end of each lecture and conference.

### Other Outcomes/Objectives, with Any Associations and Related Measures, Targets, Findings, and Action Plans

**O/O 1: Increase student recruitment**

Increase student recruitment

**Related Measures**

**M 1: Recruitment data**

Review recruitment data

Source of Evidence: Existing data

**Target:**

Recruit at least 15 students from Austria every semester

**O/O 2: Students will express understanding of America and field of study**

Students will express much broadened understanding of America and of the fields they are studying in

**Related Measures**

**M 2: Student evaluations**

Student evaluations

Source of Evidence: Student course evaluations on learning gains made

**Target:**

80% of students will rate the overall experience at UNO as excellent.

**O/O 4: Contribute to teaching mission of university**

Contribution to UNO teaching mission

**Related Measures**

**M 5: Review faculty and course assignments**

Review course assignments and chair evaluations of visiting faculty (Marshall Plan Chair, Innsbruck exchange professors).

Source of Evidence: Academic indirect indicator of learning - other

**Target:**

Bring in Austrian Marshall Plan Chair on an annual basis; bring in Innsbruck faculty member through university partnership on a biannual basis. Students taught by Marshall Plan Chairs will deepen their knowledge of the subject matter taught (which ideally would be in courses not regularly taught at UNO)

**O/O 5: Maintain and refine partnerships**

Maintain and refine partnerships

**Related Measures**

**M 6: Review faculty and course assignments**

Review course assignments and chair evaluations of visiting faculty (Marshall Plan Chair, Innsbruck exchange
Source of Evidence: Academic indirect indicator of learning - other

**Target:**
Maintain and refine partnerships and cooperations with 2 Austrian universities (Innsbruck and Graz) and 1 local civic organization (Deutsches Haus); secure scholarship support from DH. Bring 1 Innsbruck exchange professor to UNO in the academic year 2015/16. Organize and finish 1 research project with the University of Graz, Austria.
