institution other than UNO may earn a second baccalaureate degree by completing thirty semester hours at UNO that are in addition to the requirements for the first degree and by meeting all other requirements for the second degree. Graduation Requirements - Substitutions and Waivers of Degree Requirements

A substitution is defined as a course that is outside of the prescribed curricula that is used to substitute for a course that is within the prescribed curricula. At The University of New Orleans, no more than five (5) courses may be substituted in a prescribed curriculum.

A waiver is defined as an exception to a required degree component. Each curriculum will be different with some curricula requiring external benchmarks such as meeting a minimum score on a required test and other curricula requiring a course or series of courses to satisfy a particular degree component and even other curricula requiring additional components. Students are encouraged to discuss any deviation of prescribed coursework with their advisor. Waivers of degree requirements must be approved by both the Dean of the College as well as the Office of Academic Affairs.

Honors - College Honors/Dean's List

College honors are awarded each semester with the publication of the Dean's List for each division, college, or school. To be included on the Dean's List, a student must have earned at least a 3.5 grade-point average for that semester (Term GPA) while attempting a full-time, in-residence schedule.

Honors - Departmental Honors

Some subject areas offer programs which lead to the bachelor's degree with honors in the particular subject. Requirements include a 3.25 grade-point average in all coursework attempted and a 3.5 grade-point average in all courses in the Major; completion of specified courses in the Major; and completion of a Senior Honors Thesis. Students wishing to earn departmental honors should contact the Director of the University Honors Program.

Baccalaureate degrees are awarded with honors on the basis of two criteria, the curriculum undertaken and grade-point average.
